Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.

The Housing Authority of the City of Lyons has based its needs of families on its waiting lists on the needs express in the Consolidated Plan of the State of Georgia. The State of Georgia Consolidated Plan describes how State, local, private and federal resources will be used to increase the supply of affordable housing for low and moderate income Georgians, establish and maintain a suitable living environment, and expand economic opportunities for its citizens. The plan focuses on the use of HUD funds to meet the affordable housing and community development needs of Georgia.

Strategies for addressing needs:
